Research

Top ten things to do at NCUR

10. Take advantage of the local area -- visit the tourist attractions.
9. Attend social events, plenaries, brown-bag sessions and talk to people from other schools.
8. Take a tour of the campus.
7. Have lunch with someone from another institution.
6. Attend a performance session (dance, theater, music).
5. Look at five posters and talk to the student authors.
4. Go to at least three papers outside your field of study.
3. Attend the presentations of the other students from your home institution.
2. Attend the entire session in which you are presenting.
1. Enjoy the conference!
